Japan's New Three Most Spectacular Night Views

Sapporo City has been listed as a city with one of the new three major night views of Japan.

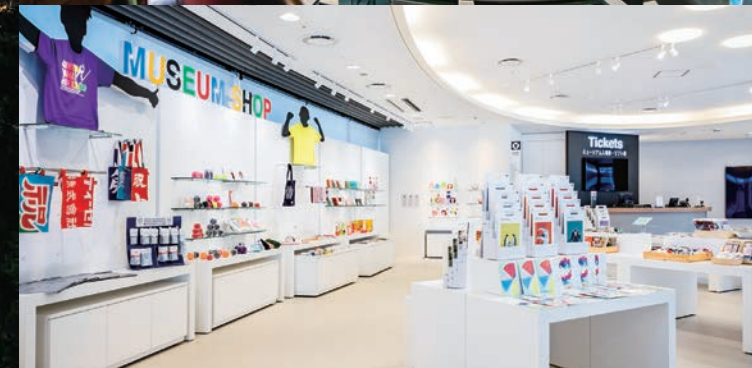

日本新三大夜景
(一社)夜景観光コンベンションビューロー認定

Especially dynamic views of Sapporo can be seen from the viewpoint of ski jumpers. The greatness of nature as it changes with the seasons and the metropolitan surroundings of Sapporo create spectacular sights to remember.

Enjoy this luxury.

Night view from Okurayama Viewing Point

Sapporo Olympic Museum

You can enjoy the history and excitement of the Sapporo Olympics. The experience section where you can actually feel what athletes encounter is popular. At the museum shop, not only a wide variety of products related to the Olympics, but also works of Hokkaido artists, are available. This is a select shop enjoyed by many people.
